On 04-19-17 at 1208 hours, Perez Meza, Sandra came into LVMPD HQ to report the following:

On 04-13-16, Perez Meza states that she started working at Sbarro Pizza located at 3770 S Las Vegas Blvd. Las Vegas, NV 89109. Perez Meza states that one of her coworkers, Alatorre, Jesus started grabbing her and grind his genitals on her. Perez Meza states that he has chased her into the cooler on multiple occasions and has tried to grab her vagina. Perez Meza states that at one point, Alatorre exposed his penis to her and asked her to expose her vagina. Perez Meza states that she told him no and ran out of the cooler.

Perez Meza states that she told her manager, Ceballes, Zachary about the issue with Alatorre. Perez Meza states that at that point she started getting treated differently at work and no action was taken against Alatorre and he continued to touch her inappropriately.

On 07-15-16 at approximately 1700 hours, Perez Meza states that Ceballes had pulled her into the cooler and told her that because he had given her and her family jobs, she owed him and needed to repay him. Perez Meza states that Ceballes began to touch her and lifted up her shirt and started to touch and suck her breasts. Perez Meza states that Ceballes turned her around and began to have sex with her and penetrated her with his penis. Perez Meza states that she didn't want to have sex with him but complied in fear of losing her job and source of income.

Perez Meza states that Ceballes would pull her into the cooler at least once a week up to have sex with her and Perez Meza states that she complied each time because she didn't want to lose her job and she didn't want her family to lose theirs. Perez Meza states that Ceballes has also penetrated her with his fingers. Perez Meza states that while she was on her period, Ceballes forced her to perform oral on him. Perez Meza states that when Ceballes pulls her into the cooler he brings a blue towel so that when he finishes and ejaculates, he cleans her up as well as himself. Perez Meza states that Ceballes keeps condoms in the cooler.

Perez Meza states that her shifts started changing so she would always be scheduled with Ceballes. Perez Meza states that Ceballes is who creates the schedules.

Perez Meza states that approximately in September of 2015 another coworker, Hernandez, Efrain started to grab her hand and put it on his penis. Perez Meza states that Hernandez would follow the same pattern as Alatorre and would chase her into the cooler to try to touch her inappropriately. Perez Meza states that she believes Hernandez started doing this after he saw Ceballes pulling her into the cooler. Perez Meza states that Hernandez would say very disgusting things to her that she does not want to repeat.

Perez Meza states that in November of 2016, Ceballes pulled her into the cooler and stuck a beer bottle up her butt. Perez Meza states that this happened on two separate occasions.

Perez Meza states that in December of 2016, she told Ceballes that she will no longer comply with his demands and was worried about him taking advantage of her sister-in-law.

Perez Meza states that this happens with other employees as well and that some have ended up pregnant and later terminating the pregnancies. Perez Meza states that Ceballes did impregnate an employee by the name of Romera, Anna who Perez Meza states is being paid by Ceballes.

Perez Meza states that there are cameras in the facility but that they are covered up prior to these incidents so nothing has been caught on camera as far as she knows.

Perez Meza states that she never wanted to have sex or to be touched by Alatorre, Hernandez, or Ceballes and that she only complied in fear of losing her job. Perez Meza states that that she has since transferred to a new location approximately in January of 2017. Perez Meza states that she has had no contact with Alatorre, Hernandez, or Ceballes since she transferred to her new location.
